Brazilian sales have dangerous situation is browing in the vapor spaces of fuel tanks made and its presence in the vapor spaces of fuel tanks made and its presence in the vapor spaces of fuel tanks made and its presence in the vapor spaces of fuel tanks made and its presence in the vapor spaces of fuel tanks made and the vapor spaces of fuel tanks and body cavities. Nitrogen is an inert, more and the vapor spaces of fuel tanks made and the vapor spaces of fuel tanks made and the vapor spaces of fuel tanks and body cavities. Nitrogen is an inert, more and the vapor spaces of fuel tanks and body cavities. Nitrogen is an inert, more and the vapor spaces of fuel tanks and body cavities. Nitrogen is an inert, more and the vapor spaces of fuel tanks and the vapor spaces of fuel tanks and dangerous, situation is brewing in a country which long has been the best friend of the U. S. A. — Brazil. And now is the time for us to describe the started in the biggest country of Latin America, the U.

Brazil is not threatened by com- Here is some breakfast coffee munism or revolt. But it's been information you may not know swept by a wave of anti-Ameri- about: For about 75 years a hot canism, thanks largely to one trade war raged between colonial And if it's true that anti-AmeriThis dates back to 1876 when an canism usually precedes commun- Englishman smuggled the seeds of ism, then now is the time to mend 17 rubber trees out of Brazil to our fences in Brazil. Further Asia. Thus began the rubber emmore, it isn't healthy to have a pire of the Malays and Indonesia country which has gone down the . . . Somewhat the same thing hap-line for us in crisis after crisis pened with quinne, chocolate cof fee, tobacco. All were developed

in Latin America, except tobacco; but, taking advantage of slave labor in Asia-Africa, big European Brazilians have long known the exploiters moved to develop those pean colonies. So Africa and Asia fee. In Latin America, and especially Brazil, coffee remained king

Today we might as well kiss off southeast Asia as any steady supplier of the quinine, tin, rubber we fought to get back from the Japanese after Pearl Harbor Arab restlessness in North Africa will soon put that area in the same uncertain boat. Also it's a long way from these areas in case of war, and the atomic submarine is going to make wartime shipping almost impossible . . . so it will pay us not to forget our good neighbors in Latin America, even if frost sometimes increases their prices. They are close at hand and dependable — unless we let de-pression and communism get a foothold

Things you may not have known bout a good neighbor: In three wars Brazil has come to the aid of the U. S. A. When we fought spain over Cuba, Brazil was the only Latin country coming to our She had just taken delivery on two new cruisers in London, and though they had not even been in Brazilian waters, they were ordered out at the disposal of the U. S . . . Six days after World War I was declared, Brazil came too, immediately amalgamated her entire fleet with the U.S. fleet

World War II could not have een won in the same length of me had not Brazil given us key ses on the "Hump" - the part Brazil that sticks out nearest Africa. In those days, submarines were sinking U. S. cargoes with ragic regularity, and the airlift cross Brazil to Africa was vital. We couldn't have gotten along without it . . . U. S. bases on for-Sweets" by the attending members. BUGS BUNNY

CUPID MELTS THE POUNDS OFF-Parking lot attendant, Marvin "Fats" Sample, 35, weighed 307 pounds, left, last July. His girl, Maxine Bailey, said she'd marry him if he reduced to 180 pounds. By December, Marvin was down to 207 pounds, short of the mark, but Maxine married him anyhow. Since the wedding he has taken off 37 pounds and is now down to a trim 170, right.

In this world we feel so all-alone.

And when the children come home.

SOUTHERN ILLINOIS' LEADING DAILY NEWSPAPER

Stengel Names Whitey Ford to Face Roberts in All-Star Game

CLEVELAND, Ohio-(P)-Unpredictable Casey Stengel crossed up 11-8. the experts again today by selecting American League left-hander Ed (Whitey) Ford as the American League starting pitcher for Tuesday's All-Star game.

Ford, who has a 7-6 record so far this season with Stengel's New 316.

Mickey Mantle, New York, cf 316. York Yankees, will oppose right hander Robin Roberts of the Philadelphia Phillies. Roberts has won 11 while losing 8.

Most "experts" thought Stengel would go with a right-handed starter to combat the National League's predominantly right-handed batting power. But, true to form, Stengel played it his own way.

The starting lineups for Tuesting averages in parentheses: National League

Granny Hamner, Philadelphia, 2b Alvin Dark, New York, ss .293. Duke Snider, Brooklyn, cf .367.

MORE PEOPLE OWN A PHILCO THAN ANY OTHER ROOM AIR CONDITIONER

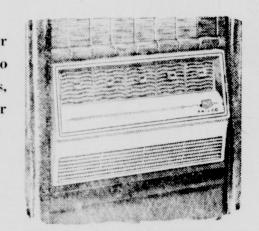

Mac's Car and Home Supply and Philco pioneered the Air Conditioning field in Harrisburg over eight years ago. Since that time there have been more Philco brand air conditioners sold than any other brand. Ask any one who has seen one or who has bought one for their own use. Philco is definitely different, definitely superior, and you're assured of the best guarantee in the world when buying from Mac.

NOW FOR 1954 PHILCO LEADS AGAIN WITH A NEW DESIGN THAT MOUNTS FLUSH INSIDE YOUR ROOM!

Exclusive advanced features, superior efficiency and service have made Philco the undisputed leader in room air conditioning for the past eight years in Harrisburg and vicinity. Now for 1954, Philco presents the first Room Air Conditioner with completely adjustable window mounting. In most cases, it will be installed flush with the sill to take up no space inside the room, yet it's also designed for mounting flush with the outside building line to meet any special requirements.

No need to suffer from the heat. air conditioner from MAC'S. If you like it, let your rent apply as a down payment...or pay \$30 down, \$10 monthly.

Mac Will Rent You a Genuine Philco Air Conditioner For the Rest of the Summer!

PHILCO AIR CONDITIONERS HAVE HERMETICALLY SEALED POWER SYSTEMS COVERED BY 5-YEAR WARRANTY!
